### What is it?

Nationwide's GrouProtector<sup>SM</sup> Special Event Accident/Sickness Insurance is a practical insurance plan that provides accident/sickness medical coverage for accidents/sickness that occur during approved Special Event activities. This coverage extends to participants or participants and staff associated with the Special Event. It gives all eligible persons the security they need and deserve.

Individual names are not required as **100% of all eligible persons must be insured**. Each person is protected — as well as the group itself — because all eligible persons are automatically covered.

*Voluntary enrollment plans are not available.*

All cases are subject to the acceptance of the risk. Cases producing over \$15,000 of premium are also subject to our review of prior claims experience.

# Focus on the fun, and enjoy the ride!

## What are the covered activities?

Each of the activities checked in item 5 of the application which is sponsored and directly supervised by the plan sponsor; provided the date(s) of such activities and the anticipated number of eligible persons are shown on the Premium Report.

## Who is covered?

Eligible persons include either:

- Participants only; or
- Participants and staff

## What is the difference between our primary medical and excess medical plans?

- **Our Primary Plan**—is usually “first in line” to pay a claim. It pays covered expenses regardless of most other plans. Other plans, however, may reduce their payments based on what we pay.
- **Our Excess Plan**—is usually “last in line” to pay a claim. It does not pay covered expenses to the extent they are collectible under most other plans. Thus, we need to know what others pay before we will pay. If there is no coverage, we will pay the same as primary.

Excess essentially “fills in” other plans’ deductibles and coinsurance as well as pays remaining covered expenses after others have exhausted their benefits. If our excess plan has a deductible, it is “out-of-pocket” and cannot be satisfied by other plans.

**Availability of Primary and Excess plans varies. Please refer to the “Note” below the [Fraud Warnings](#).**

## What are the policy exclusions and Limitations?

We will not pay benefits for expenses incurred for:

- (1) the examination, prescription, purchase or fitting of eye-glasses, contact lenses or hearing aids; or
- (2) treatment by a person employed or retained by the plan sponsor or its subsidiaries or affiliates and for which no charge is normally made; or
- (3) care or treatment by a person who ordinarily lives in the insured’s home or is a parent, grandparent, spouse, brother, sister or child of either the insured or the insured’s spouse (if a NJ contract, care or treatment furnished by a member of the insured’s immediate family).

Nor will we pay benefits for loss or expenses resulting from:

- (4) intentional self-destruction or an attempt at it or intentional self-inflicted injury (if MO contract, while sane);
- (5) war or an act of war, declared or undeclared; or
- (6) air travel unless the insured is a passenger on a regularly scheduled flight of a properly licensed commercial airline.

## Here are the benefits

**Death Benefit**—If, as a result of injury, an insured dies within one year from the date of the accident causing the injury, we will pay the death benefit less any specific loss benefit paid because of the same accident. The one year limit does not apply in a PA or WV contract.

**Specific Loss Benefit**—If, as a result of injury, an insured suffers a specific loss within one year from the date of the accident causing the injury, we will pay:

Specific Loss	% of Face Amount
Loss of Life	100%
Each Arm	75%
Each Leg	75%
Each Hand	50%
Each Foot	50%
Sight of Each Eye	50%
Speech	50%
Hearing of Each Ear	25%
Thumb & Index Finger of Same Hand	25%

The total payment for all of the specific losses of an insured because of any one accident will not be more than the face amount. No specific loss benefit will be paid if the death benefit applies. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies. The loss of the hand or foot benefit will not be paid if the loss of the arm or leg benefit applies.

**Medical Expense Benefit**—If, as a result of injury or sickness, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury or the date sickness (if applicable) begins, we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such date.

**Covered expenses** means the reasonable and customary charges for local (“local” not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services and supplies provided or prescribed by a doctor:

**If excess medical has been elected, we will not pay benefits for, nor can this plan’s deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under certain other policies and/or health plans as stated in the policy.**

**Coverage is provided under policy form No. GR-9051-3** if Class 5, 6, 7, and/or 8 is elected; or **GR-9051-4** if class 5, 6, 7, and/or 8 is not elected.
